### Number of J-1 Physicians Sponsored

Each year, thousands of foreign national physicians train in J-1 visa status in the United States, where they represent an increasingly significant proportion of the trainees on our health care teams. The number of J-1 physicians training and serving patients in U.S. teaching hospitals has increased 67% over the past decade.

### States with Highest Number of J-1s

J-1 physicians train across the nation in 49 states, plus the District of Columbia and Puerto Rico.
